

RIVER ROAD AFRICAN AMERICAN
MUSEUM

Building a Legacy...

Brick by Brick

The River Road African American Museum is proud to offer a limited time opportunity to obtain a Named Gift. We depend on the support of the community, including corporations, foundations, organizations and individuals, to achieve our goals of excellence in creating a world-class historical, cultural and educational resource.

Named Gift Bricks for Individuals and Companies

Creating a world-class museum requires community and individual involvement. The River Road African American Museum welcomes the contributions of individuals, small businesses and corporations to facilitate the establishment of the South's finest museum complex. The museum offers custom engraved bricks as affordable Named Gift opportunities. Sponsors can create a permanent legacy to commemorate important individuals, or as a testament to the support of local corporations.

Paving the way...

An impressive collection of engraved bricks will be set in the plaza that encircles the museum's buildings on Lessard & Williams Street, forming a walkway known as "True Friends Walk of Honor." Visitors to the museum can take time to reflect on the committed individuals who have helped develop the country's most extensive collections of African American history and culture.

Three sizes are available, and bricks are offered at individual and corporate donation levels, providing an imaginative opportunity for individuals and business to leave their mark on history.

Benefactors will also receive a certificate and diagram including the location of the brick they have sponsored.

The museum offers custom engraved bricks as an affordable named gift opportunity.
